Religious Education (PREP)

The Office of Religious Education organized a bus trip to St Benedict the African Sunday the 28th.of February Most of PREP 8th grade, and some 7th grade students, families and some non-PREP parishioners, 32 people in all, participated. They attended mass and joined their potluck lunch "taste of soul" which was the annual celebration of the founding of the Parish. DRE Cindy Morales reported that the people at St Benedict's were "extremely welcoming and our students appreciated the liturgy very much". Sr. JoAnne asked Cindy at the last minute to bring dessert if desired, and some in our group did.

PREP grades will participate in the following projects for Lent:

Meeting of March 8, 2010

The Catechetical Advisory Board (CAB)

DRE Cindy Morales commented regarding the bus trip to St. Benedict the African which was discussed in the January meeting, as follows:

“The purpose was to increase a sense of community between our parishioners and the parishioners at St. Benedicts and I think that it was successful. I wish more of our parishioners had come, but if we can make this an annual tradition perhaps it will grow.

Another way to build community would be for St. Philip's parishioners (ladies!) to attend St. Benedict's fundraiser, a spring fashion show which is May 8. The cost is \$50. I plan on going and will invite as many people personally as I can.

Finally, I think that the parishioners at St. Benedicts (and their choir!) would respond positively to an invitation to visit us (it would be great if we could also have a lunch after Mass).”

CAB members are in the planning stages for a “Prep Reading Corner” for the benefit of the PREP community. (See attached)

Next meeting is Sunday March 7.

March 3, 2010,

Dear
Catechists
Catechist Aids
Members of CAB
Friends

The Catechetical Advisory Board (CAB), under the auspices of the Parish Council and working in collaboration with the Director of Religious Education plans to establish a PREP reading corner for the benefit of the PREP community.

The purpose of this letter is to inform you of the project and to solicit your suggestions for items and materials to be included in "a reading corner". The "reading corner" would be located in a section of the sitting lounge of the convent. It will be open with volunteer supervision from 10:00am to Noon on PREP Sundays.

We hope to provide an oasis of enrichment by making available a selection of books and resources and invite the families to:

- Spend some time browsing the latest publications on the Catholic Faith
- Check out available Bible, reference resources and current encyclicals of the Holy Father.
- Find materials to foster their religious education/formation and to enrich their experience during the PREP years with their children.
- And of course network with other PREP parents.

For more information and to answer any questions, and for your suggestions please contact:

Report: St. Benedict the African

Tuesday, February 16, 2010 5:32 PM

From: "John Meade" <jmmeade2000@yahoo.com>

To: "Mary Claps" MoMaClaps@att.net

This is an early report for the Parish Council March meeting as I will be out of town as we approach that date.

The remainder of the gift cards were delivered to Sisters Mary and Joann on February 3rd. Totals for 2009 were 66 donations totaling \$2,375 versus 84 donations totaling \$3,505, a significant drop. The total donated decreased as well as the average size gift card dropped from just under \$42 to \$36. As always, the Sisters expressed appreciation to the St. Philip Parish community for all we do to help in their ministry to the poor in the Englewood community.

My discussion with the sisters confirm that the needs of the people in the Englewood community are greater than ever as the downturn in the economy and the fact that those on social security received no increase this year. It is because of this I am asking the Parish Council to consider approving a special collection of gift cards sometime near the middle of the year to attempt to make up the shortfall in our Christmas collection of gift cards. The sisters say that all types of cards are welcomed but in the summer the need for CTA cards and probably fast food chain cards would be most welcomed.

I responded to your questions regarding a possible second collection of gift cards and had to decline your invitation to come to the next PPC meeting but I am willing to meet to discuss this proposal any time in the next couple weeks. To date I have not heard from anyone.

A group from SPA will be attending Mass and a social gathering at St. Benedict the African on February 28th. Unfortunately I will not be able to join the group due to a prior commitment. I assume Cindy will be providing you with a report as she organized it.

John

RESPECT LIFE COMMITTEE

Report to PPC via Human Concerns Commission

2/22/10 from Diana Scheeler):

The Respect Life group is continuing with the education objective by reading and discussing *Caritas in Veritate* and sharing some of the Church's inspiring wisdom by submitting excerpts for the bulletin.

One of our members is a sidewalk counselor at the Albany Park Clinic. The recently enacted city ordinance, called The Bubble Zone, has not affected the ability at this location to offer clients a real choice of options, instead of just the single choice of abortion.

We have invited Ann Scheidler of the Pro-Life Action League to speak after the 11:45 Mass on April 25th. Since some of our junior high public school students in past years have had to debate in class the abortion issue, they will be invited with their parents and other interested parishioners to attend the talk.

Three of our members will be traveling to Springfield for Catholics at the Capitol Day urging our legislators

to vote **IN FAVOR OF:**

HB 5743: The Ultrasound Opportunity Act, requiring abortion facilities to offer a pregnant woman an opportunity to view a sonogram of her unborn child,

HB 5687/SB 3569: Replacement of the Death Penalty with life in prison without the possibility of parole,

and other bills supported by the Catholic Church in Illinois (Education Funding Issues, Tuition Vouchers, English and Adult Education for Immigrants), and

to vote **IN OPPOSITION TO:**

HB 6205: Reproductive Health and Access Act (IL FOCA) which includes public funding of abortion and contraception and undermines the Health Care Right of Conscience and Parental Notification statues, and requires "Comprehensive" sex education (eg., Planned Parenthood version) to be taught in every public school,

SB 1716: Civil Unions/Religious Freedom,

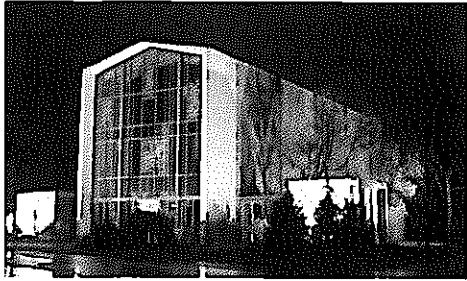

and another bills opposed by the Catholic Church in Illinois which would cut human services funding.

Reflection from our Pastor

Dear Friends in Christ,

Our Christmas and New Year's festivities are just a memory now, but what beautiful celebrations we had at St. Philip's! So many Guild members were involved in the choir and other liturgical ministries, in our PREP Christmas pageant, and in the generous collection of toys and gift cards for Catholic Charities and our sharing parish, St. Benedict the African. Thank you for your dedicated service and joyous enthusiasm!

A number of Guild members have also been involved in our Catholics Come Home project, serving as hospitality ministers to welcome back our brothers and sisters who have been away from the Church. On the evening of February 8 there'll be a special reception for those who have returned and for all our new parishioners. I appreciate the great support you've given to this important initiative.

Although we don't know yet whether the ground hog will see his shadow, past experience in the Chicago area suggests that more than a few weeks of bleak weather remain. The Women's Guild, though, has made plans to brighten the dreary month of February with a fun night on the 11th. This mid-winter break is certainly welcome, and I'm sure everyone will have a great time.

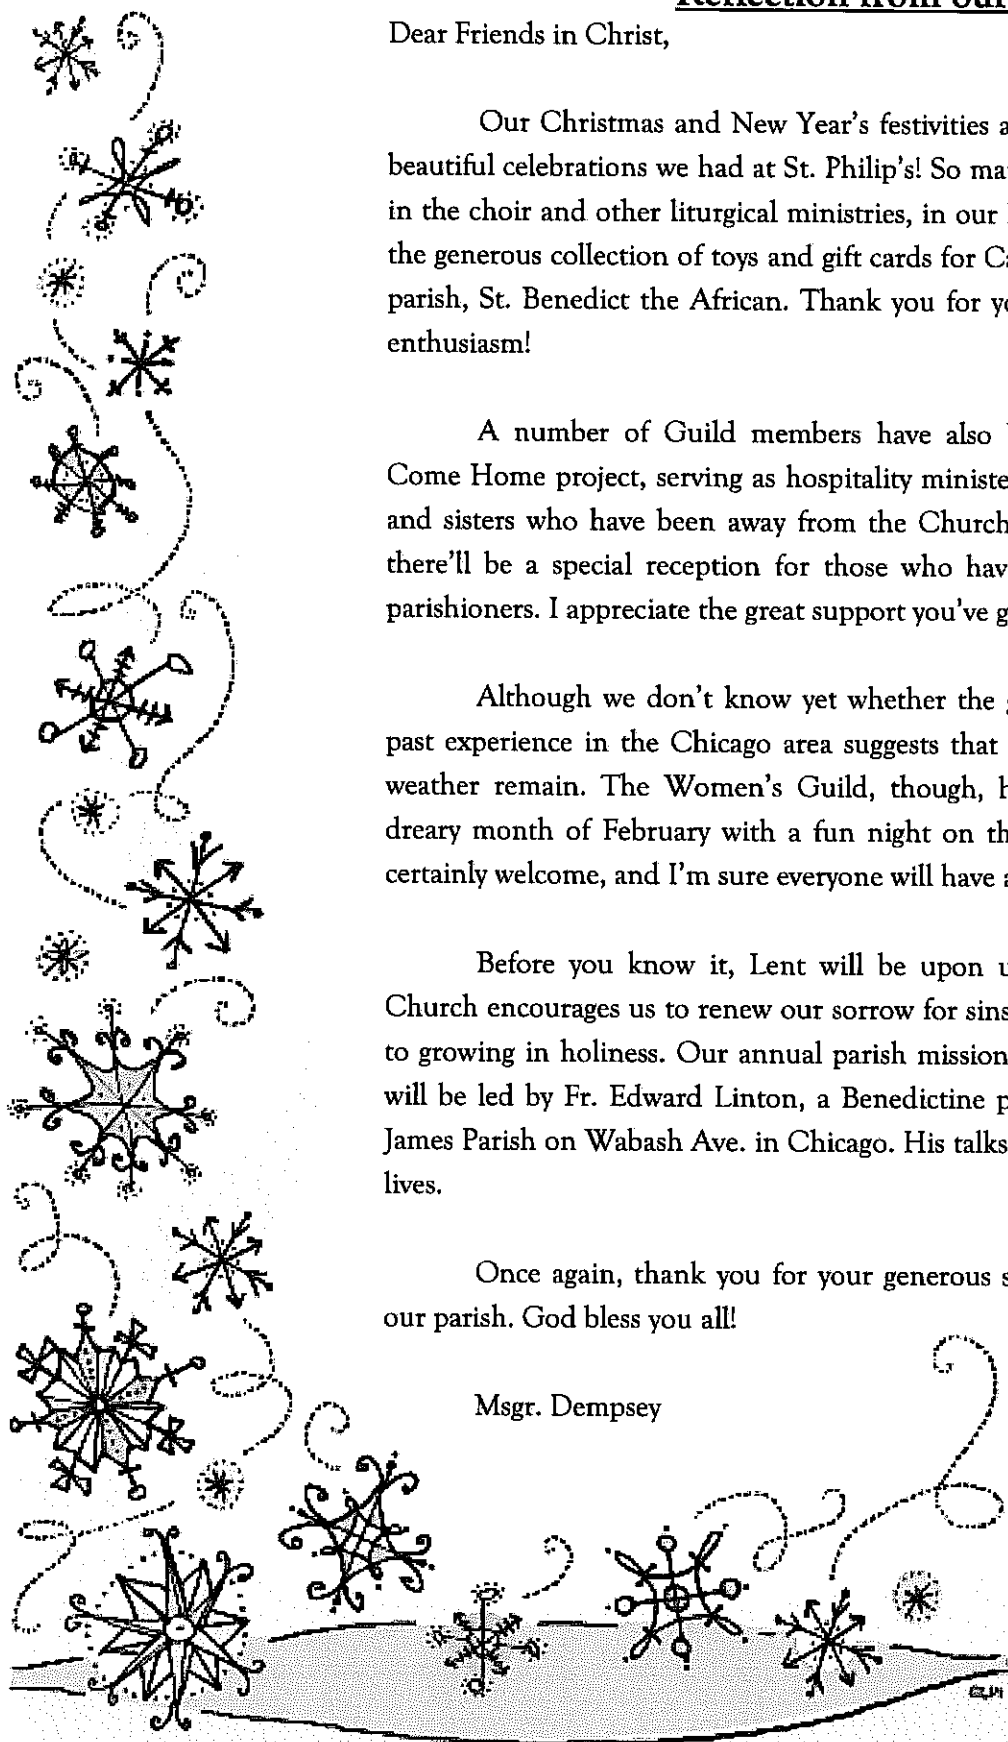

Before you know it, Lent will be upon us. In this liturgical season, the Church encourages us to renew our sorrow for sins past and to rededicate ourselves to growing in holiness. Our annual parish mission will be held on March 1-3, and will be led by Fr. Edward Linton, a Benedictine priest who serves as pastor of St. James Parish on Wabash Ave. in Chicago. His talks will help to deepen our spiritual lives.

Once again, thank you for your generous service and continual support of our parish. God bless you all!

Msgr. Dempsey

Outreach Committee Report

March 2010

Outreach Committee met on January 26, 2010. In attendance were: Betsy Dorsey, Annmarie Gesualdo, Pat and Frank Cuccio, Liz Harvey, Tom McCabe and Michael Koberda

The following items were discussed:

1. Catholics Come Home campaign – lessons learned.
 - a. What worked well, what could have been improved
The sign-up process was successful, because 30 volunteers participated. Greeting before masses was well received and the Welcome Table and signage were very nice. The prayer basket was successful, but not the sign-in book. It is likely that people were reluctant to write their names in a book that anyone could read. Perhaps a process allowing more privacy would have been better.
 - b. February 8 reception
The event was very well attended and successful. Special thanks to Jane Karol for preparing the reception. Tom McCabe prepared nametags for the event – Thanks, Tom!
 - c. Welcome Table for February 17, 2010
The Committee prepared the Welcome Table for Ash Wednesday. Hospitality ministers were present before and after each mass.

2. What do we do next?
 - a. 'Permanent' greeters – could ushers play that role?
Tom will follow up with Stan Smith. Also see item 'd' below.
 - b. 'Enhanced' parish website and youth website
A 'youth website development team', SPA-YWDT for short, would need an adult to lead it. We are looking for a suitable candidate or ideas for how to find one.
 - c. Periodic coffees/meetings for new parishioners
Several new parishioners attended the February 8 reception. Would periodic coffees after mass make sense?
 - d. How can we involve parents of PREP children
We could get a list of PREP parents from Cynthia. Liz will talk to teachers with the idea of engaging parents through the PREP kids. Perhaps PREP parents could be greeters?
 - e. New ideas
Please see the attached e-mail message.

Follow-up e-mail from Marge Livingston:

Hi Michael,

Thanks for the update. Unfortunately I will be in Florida in March but I'll be back for the May meeting.

Some suggestions based on your notes:

The website: I think we have expertise in the parish to develop a better website. You might try calling Bernie Carlson; she's away now but gets home this week-end. She may come up with good resources. If not you could try putting a note from Msgr. in the Bulletin asking for volunteers to get together to discuss updating what we have. Out of that meeting you might find someone who could do it free of charge. Also I would recommend you find some way to get the minutes of the Parish Council

approved by Email by the members during the week after the meeting so they can be posted in a timely manner on the Website. I went to look at the latest meeting and found it was almost 2 months out of date. On this subject which is "marketing" oriented the Bulletin needs a little updating as well...maybe a few pictures to draw attention to what is going on in the Parish....pictures of prep students or other groups.

Parish receptions: I think the reception Feb. 8th is a great idea. Is the Women's Guild going to repeat Neighborhood parties? Everyone seemed to enjoy them when we did them and we had good attendance because people thought they might know someone.

Prep participation: My first suggestion would be to get a "prep" parent on your committee (I know I sound like a broken record); they would be the best resource for knowing how to reach the group. In lieu of that getting prep kids as lectors, cantors, petition readers, choir and even ushers at the 9:30 Masses would draw their parents to Church. I see that Cindy is going to do some of that in Feb.; a good idea to continue it maybe even every other Sunday. Have you thought of an event directed at that audience? Maybe a spaghetti dinner for families sometime in the early spring? Or a movie night in the gym with pizza or dessert? Somehow we have to reach more of those young families.

For what it is worth this is what I would have said if I were coming to the March meeting. Thanks for all you are doing to help St. Philip's.

Marge
