Safe Environment Training

The Safe Child Lures and Called to Protect Programs

The mission of the Child Lures Prevention Program is to assist parents and educators in protecting youngsters, both offline and online. Millions of children and teens nationwide have been empowered by *Think First & Stay Safe* resources to avoid: sexual abuse, exploitation, harassment, school violence, abduction, drugs and bullying.

The Archdiocese of Chicago and Office of Protection of Children and Youth have put together a comprehensive program to assist our teachers and catechists in creating a safe environment for all of our students. As disciples of Jesus and carriers of the Good News of the Gospel, we have a primary responsibility to create a sacred covenant with our schools, the children and their families.

In keeping with the mission of the Church, Divine Mercy Parish is following the mandate of the Archdiocese of Chicago to offer this *Safe Environment Training* as a means to teach our children about their safety in their neighborhoods, schools and homes. This Training is offered in 3 groups: CARE – 3 grade, 4th and 5th grade and 6th – 8th grade. These sessions will be offered during PREP class and will last about 30 minutes. Dates of these sessions will be announced on PREP Website under UPCOMING EVENTS with all the other announcements.

Please prayerfully decide if you wish your child to participate in the Child Lures classes, or not. Please fill out the form and return to the parish office for your children's records. If you have any questions, please call parish office.
